Lake Havasu Boat Show Kicks-Off Boating Season

Thousands of avid boaters are eagerly anticipating the return of spring and summer weather to reignite their passion for Colorado River recreational boating. Much like the east coast’s traditional Ground Hog Day, the quasi-official kick-off of a new Lake Havasu boating season is the return of the annual Lake Havasu Boat Show, now in its 28th consecutive year conducted by the Lake Havasu Marine Association.

Having established itself as the largest boat show in Arizona and Nevada (and possibly California too), the Lake Havasu Boat Show, co-sponsored by Jet Renu and Mohave State Bank, opens a three-day run on Friday, April 5 through Sunday, April 7 at Lake Havasu State Park, Windsor 4.

The Boat Show will be bursting at the seams with over 150 exhibitors and vendors ranging from million-dollar high performance sport boats to inflatable paddleboards and kayaks and everything in between.

Lake Havasu Boat Show visitors are in for a number of unique treats in 2019, especially if they are in the mood for some serious boat shopping as the in-water demo dock will be much larger to accommodate more vessels for test rides.

“We have nearly doubled our in-water demonstrations this year from high-performance sport boats to flashy wake boats,” said Bob Brown, president of Media Direction and co-organizer of the boat show. “This is definitely the best event to start shopping for a boat in the Southwest. With temperatures already settling into the 80s and 90s in early April in Lake Havasu City, it’s basically a kick-off summer party.”

The boat show will feature up to 250 boats from luxury high-end performance boats, including the new 35-foot Nordic flat deck with twin Mercury Racing Verado 400R outboards, family pontoons,
Continued from Previous Page

sporty wake boats, high-tech fishing boats and speedy jet
boats, along with personal watercraft (PWCs), kayaks
and paddleboards.

New this year is a floating tiki bar you can rent for 90-minute periods - the first in the state. They come with
a licensed captain, ice chests, and padded bamboo chairs. Local owner Greg Licht will be offering inaugural demo
rides right from the boat show dock.

The Nordic catamaran, manufactured in Lake Havasu
City, can reach speeds of 117 mph featuring all-com-
posite construction to make it lighter than conventional
fiberglass materials.

Eliminator Boats, of Mira Loma, Calif., will be
introducing a new 30-foot Speedster which is more
than a foot wider than the previous 30 Daytona model.
The 30 Speedster is also destined to see lots of out-
board power options with a fresh new interior design.
Although still a few weeks away from water testing,
the 30 Speedster is anticipated to reach top speeds
of around 120 mph with twin Mercury Racing 400R
outboards.

A new name in the performance boat market on display
at the Lake Havasu Boat Show is Barron Boats from Azusa,
Calif. Jerry Barron, son of Nick Barron, who owned Hallett
Boats for 50 years, has embarked on his own venture, devel-

Boat Show is Pontoon Buyers Heaven

If you’re seriously contemplating the purchase of a new pontoon boat this summer, there’s no better place to see what the market has to offer than the 28th Annual Lake Havasu Boat Show, April 5-7 at Lake Havasu State Park, Windsor 4.

And why is that? For one thing, more than a dozen different national pontoon brands - ranging from economical 20-footers to ultra-luxury tri-toons and the oh-so-racy big-boys powered by multiple outboards up to 800 total horsepower - will be on display.

If name brands mean something, and they should, check-out just some of the models that will be at the Boat Show: Avalon, Barleta, Bennington, Berkshire, Crest, JC Pontoon, Larson/Escape, Manitou, Playcraft, Premier, Southbay, Starcraft, Sun Catcher, Sun Chaser and Trifecta. If you can’t find your perfect summer getaway boat from this group, you might not be trying.

Even though seeing new boats in-person on-land, nothing compares to actually stepping on-board and taking one out for a test ride. The Lake Havasu Boat Show has an extended demo dock on-site with boats waiting for guest arrivals. Don’t be shy; ask for a ride if you think this might be what you’ve been looking for.

Go check-out all the boats and marine accessories at the Boat Show Friday, Saturday and Sunday. There will be over 150 exhibitors and vendors on-site making this the largest boat show in Arizona and Nevada.

Continued from Previous Page

Barron’s first offering is the 290 Sport, a sporty and roomy performance deck boat powered by a Mercury Racing 540 stern drive package that is sure to appeal to boat owners looking for comfort and functionality, as well performance and quality.

The Boat Show opens Friday at noon; Saturday and Sunday at 9 a.m. Admission is $8 for adults; kids six and under are free. Parking is free.

The Lake Havasu State Park, Windsor 4 is located at 171 London Bridge Road, next to the Hampton Inn.

For more on the Lake Havasu Boat Show, turn to the Entertainment section.
