For All Arizona and California Sales, plus Blue Prints if Needed.
Photos used for illustration purposes only.
I Will:

- Protect our valley's water rights
- Promote agriculture as our valley's #1 asset
- Protect our consumers by minimizing rate impacts to families and businesses
- Continue the fight to keep our power rates low (no rate increase for 2020)
- Continue the fight to keep our water rates low for cities and farming (no rate increase for 2020)
- Monitor fiscal accountability and transparency from IID management (we have a balanced budget for 2020)
- Continue the fight with the State of California and the US Government to take responsibility for the restoration of the SALTON SEA!
- Strongly support GREEN energy (Solar, Wind and Geothermal as we did with Citizen Solar Project for low income customers)
- Continue the fight to reduce legal and outside contractor costs
- Continue to work cohesively with the Board of Directors
- Continue the fight to maintain IID balancing authority
- Continue to work closely with the County Board of Supervisors on matters that affect us all
- I have always strongly supported the wonderful and dedicated IID workforce and always will

I am an Army National Guard Veteran
I was instrumental in opening IID to veteran's preference employment (Our Heroes)
I voted to reduce the minimum age for Residential Energy Assistance Program from age 65 to 60 for a 30% savings in their energy bill.

Experience DOES Matter!

Little Flower Yoga for Kids
(Originally aired on October 2017)

Little Flower Yoga is dedicated to making yoga and mindfulness available to children and teenagers. It challenges students to learn in new ways, make connections, and recognize their capacity to achieve their goals. Join us as founder Jennifer Cohen Harper explores the role of mindfulness and focused movement in improved behavior and academic performance.

SUDOKU

Like puzzles?
Then you’ll love sudoku
This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here’s How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
SATURDAY, Feb. 22nd

</table>

**Horoscope**

**ARIES (Mar 21/Apr 19)** Aries, you may want to pick up a relationship right where you left off, but the other person may not be as amenable. Bide your time and give this person some space.

**TAURUS (Apr 20/May 20)** A few extra goals never hurt anyone, Taurus. Sit down and see how your new resolutions can be turned into ways to achieve all of those tasks you hope to get done.

**GEMINI (May 21/Jun 20)** Gemini, while you may want to expand your social circle right now, you’re just not sure how to get started. Networking opportunities may be the way to go.

**CANCER (Jun 21/Jul 22)** There is no point getting into a disagreement over a situation you have no control over right now, Cancer. Instead, wait for the right opportunity to express your position.

**LEO (Jul 23/Aug 22)** Leo, take a step back from responsibilities at work to devote more energy to your relationships at home. Embrace activities that your family can enjoy together.

**VIRGO (Aug 23/Sept 22)** Some melancholy may have you seeking out quiet corners, Virgo. Distancing yourself from the crowds is only a temporary fix. Instead, look for activities you find soothing.

**LIBRA (Sept 23/Oct 22)** Someone close to you may be feeling under the weather and could use some extra support, Libra. Take a few days off to be the rock that this person can use right now.

**SCORPIO (Oct 23/Nov 21)** Friends may make excessive demands on your time this week, Scorpio. As a generous person, you want to go along with it all, but be careful not to overextend.

**SAGITTARIUS (Nov 22/Dec 21)** Sagittarius, you are usually outgoing, but this week you may be feeling more shy and reserved. It could be because you are missing someone.

**CAPRICORN (Dec 22/Jan 19)** Don’t take what you hear this week at face value, Capricorn. The information that has been coming your way may not be entirely accurate. Make up your own mind.

**AQUARIUS (Jan 20/Feb 18)** Group activities or time spent with a spouse may not go as well as usual this week, Aquarius. Your mind is elsewhere. Until you are focused, things may seem stressed.

**PISCES (Feb 19/Mar 20)** A minor disagreement could have you questioning a relationship, Pisces. Don’t fret, as you’ll soon find that the turmoil is short-lived.
