CANCER (Jun 21/Jul 22) Cancer, do not feel bad about caring for yourself this week, even if you must put your needs above the needs of others. How can you help others without first helping yourself?

LEO (Jul 23/Aug 22) It is okay to be skeptical from time to time, Leo. Just do not let negative perceptions bog you down. Realize there are moments when things are right and you can forge ahead.

SUDOKU

Like puzzles? Then you'll love sudoku

This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers appear by using the numeric clues already provided in the boxes. The more numbers you make, the easier it gets to solve the puzzle!
